

Palouse Pride March

The March gathers in Friendship Square at 11:00am and departs at 11:30am. Our March will be on the sidewalk so no full floats or motorized vehicles please. During the March please respect the lawns and property that we will be passing by. **Stay on the sidewalk!**

There is no fee for the march but the form is important so that we have a headcount. We are working with the local authorities to insure a safe and enjoyable event for everyone.

Note: If you plan on marching please have your booth set up in advance and we will have someone transport you to the staging area.

March Registration
